

GREEN TTEC

OPEN HOUSE

eppstein uhen : architects

SUNDAY OCTOBER 9, 2011

1:00 - 3:30 p.m.

**Come see the new Green Technology, Training & Enterprise Center (Green TTEC).
1110 Leed Parkway | Plain, Wisconsin**

.....

This is the first building in the Honey Creek Business Park, the Center will provide workforce training and business development in green building & green energy trades, construction, manufacturing, agriculture and other areas. The Green TTEC will house the first business incubator in Sauk County, provide public meeting space and is a model of sustainable building systems designed to conserve energy.
