CONCEPTUAL PACKARD AVENUE REDESIGN

DRAFT

Shaping places, shaping change
Madison & Milwaukee, Wisconsin
Vandewalle & Associates, Inc.

Created: November, 26 2008

- Clearly delineate total of two travel lanes
- Increase terrace width and landscaping
- Add parking along street
- Bump-out curbs at pedestrian crossings
- Create safer, well-marked crosswalks
- Enhance bus stops and street lighting
- Create well-marked on-street bike lanes

Note: This illustration is for discussion purposes only. Actual construction plans and implementation will differ.
