

Shapes on map represent general recommendations for future land use. Actual boundaries between different land use categories and associated zoning districts may vary somewhat from representations on this map. Please see the City's Comprehensive Plan document for specific policies related to the land use categories shown on this map. Existing (not future) land use pattern shown for adjacent towns. Environmental Corridors depicted on this map use generalized boundaries of environmental features identified on air photos by the DNR and Jefferson County. Actual Environmental Corridor boundaries are to be refined through detailed on-site investigation.
