- Neighborhood Mixed Use
- Office Park
- Community Mixed Use
- Central Mixed Use
- Institutional and Community Facilities
- Employment
- Public Parks and Open Space
- Town Development Area
- Environmental Corridor

Shapes on map represent general recommendations for future land use. Actual boundaries between different land use types and associated zoning districts may vary somewhat from representations on this map. Not all lands shown in a future developed land use category are immediately appropriate for development, rezoning, or subdivision. Environmental Corridors depicted on this map use generalized boundaries of environmental features identified by the DNR. Actual Environmental Corridor boundaries are to be refined through detailed on-site investigation.
